

**Item No. 4 – Future Natural Gas Supply**

Paul Mahlberg gave a presentation and information on Future Natural Gas Supply. KMGGA currently has a one-year contract arrangement with Wood River Energy, with the term running from Oct 1, 2023 – Sept 30, 2024. KMGGA has been looking at all options to determine if it's best to extend the contract with Wood River or go elsewhere. After some comparison shopping, it was determined that Wood River remains the best option for KMGGA at this time. The Executive Committee approved extending the contract with a nineteen-month term that will run from Oct 1, 2024 – Apr 30, 2026, which coincides with the term on the Gas Acquisition Agreements between KMGGA and the member cities. KMGGA will soon be contacting member cities to review profile and pricing options.

**Item No. 5 – General Council Report**

Terri presented the General Counsel Report, which included a status of certain KGS KCC filings and a summary of the legal cases in conjunction with Winter Storm Uri and all cases containing similar allegations.
